

THANK YOU!

Dear Michael,

The entire Moving Into Dance (MID) team would like to thank you for your generous contribution and sponsorship of our successful 40th Anniversary **EQUINOX** season this past September.

Your support has made our birthday celebration and dance season possible and something that will be remembered for the next 40 years.

Thank you for helping us to continue making a difference through dance and effecting social justice. Your support and belief in our vision to change lives is greatly appreciated.

Regards
