

12 February 2020

Splitbeam has been a partner of RapidLion - The South African International Film Festival since our first edition in 2016. As we approach the fifth anniversary of both our festival and this great partnership, RapidLion is proud to say that we could not have chosen a better partner to help screen our films, both in quality of screening and level of professionalism, plus commitment to excellence and ethical pricing.

We cannot wait to reach and surpass the ten year milestone of this relationship.

Best

Eric
